

# Valorize Non Formal and Informal Learning across Europe

## AIM:

To offer new services to extra community migrants, internal migrants and internal migrants who wish to return to their country in the short/medium term.

The project's GENERAL OBJECTIVES are highlighted by the European Civil Society Platform on Lifelong Learning (EUCS-LLL):

- To adopt a long-term strategy for NFIL

- To support cultural change towards NFIL validation

- To support counselling and information actions

- To reach disadvantaged groups

## SPECIFIC OBJECTIVES:

- Analyze the status of the application of processes for the NFIL of migrants in different European countries

- Compare the methods of validation of NFIL in the 6 partner countries with 20 professional profiles in 4 different professional fields: trade, catering/hotel, ICT, social health field

- Create a shared open database to identify which NFIL can be recognized in different countries

- Create a STEADY NETWORK of subjects that can provide advice for the recognition of NFIL between one country to another

- Create shared assessment modules to accompany migrant adults in this process

- Identify information strategies to be implemented to create a shared culture that increases the use of NFIL processes by migrants

Co-funded by the  
Erasmus+ Programme  
of the European Union
